

MEETING 8TH OF OCTOBER

CREATING A FUTURE

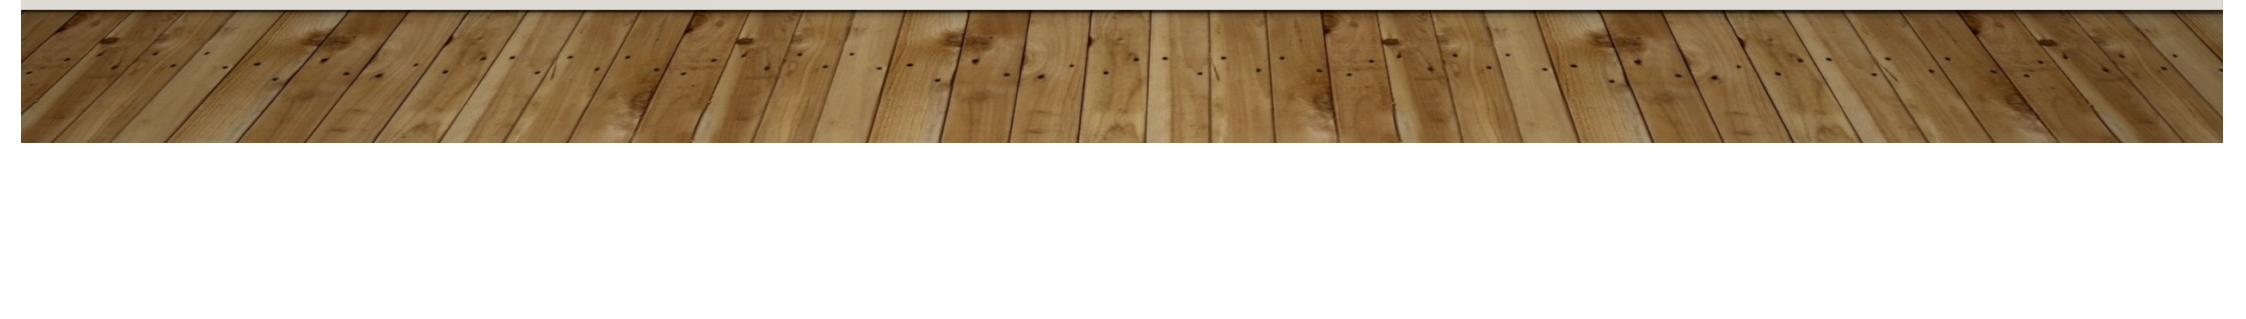

THANK YOU

A big thank you to those Office Holders and Committee members who have helped achieve a lot between April 2022 and now.

In particular

- Robyn Bell & Wendy Skilbeck & Leonore & Catheryn
- Clive Powell & Greg Masters & Rob

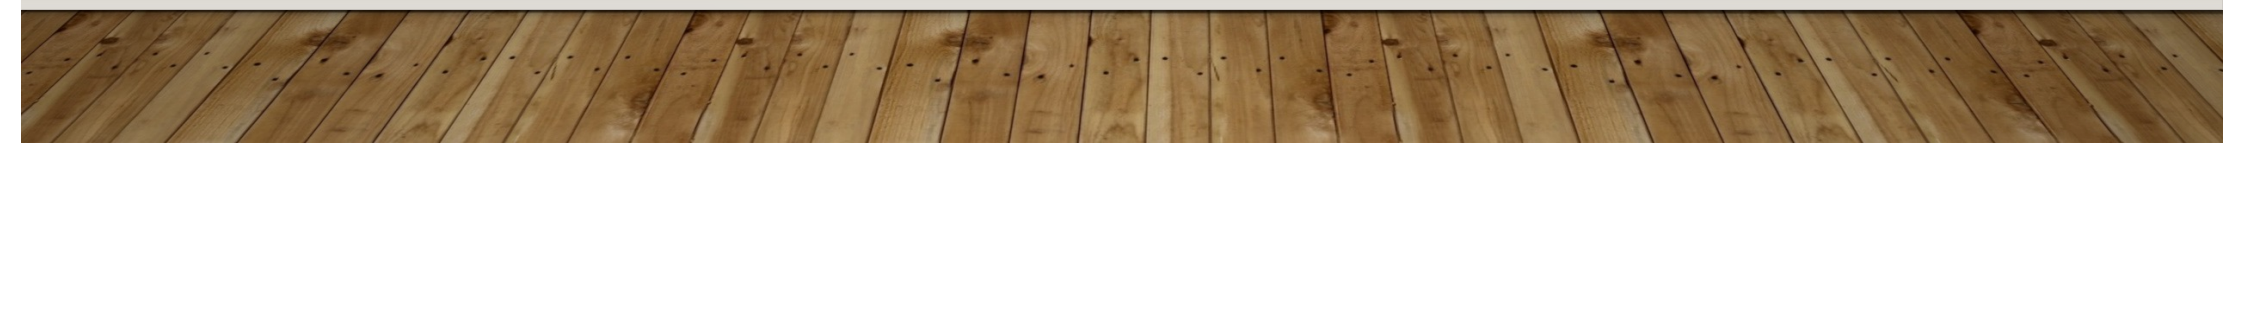

MISSION

Our Mission is to

- Achieve a balanced budget by controlling council's spending
- Reduce the massive council debt position
- Cap rate / fees / charges to CPI

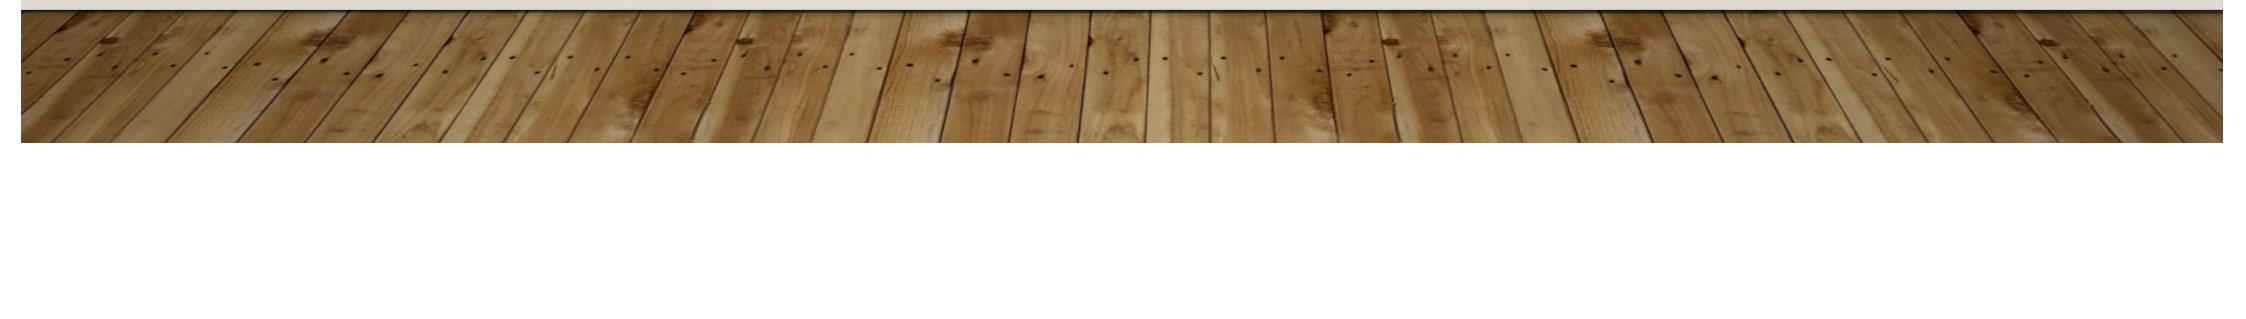

In order to assure the Tenterfield Shire remains an area that residents can afford to live in and get value for their money they give to the council.

WHERE DO WE STAND

Creating awareness for the issues and actively influencing outcomes

- Successfully slowing down anonymous overspend – see latest council reporting
- Increasing community awareness and “Speak Up” – satisfaction survey
- Forensically assessing and exposing breaches
- Affecting the outcome of the secret rate rise
- Informing and influencing reduction of waste
- Liaising with Politicians and State Government

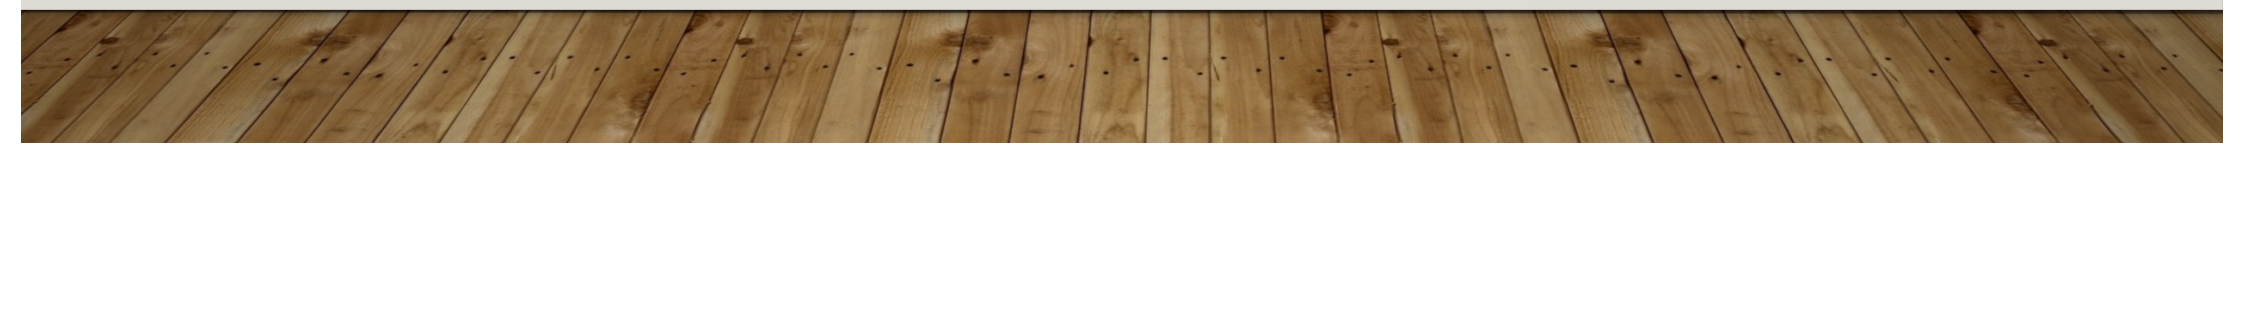

WHERE DO WE GO FROM HERE

1. Continue and intensify the **ACTIVITIES**
2. Informing and upskilling the broader public

Currently 20% - 40% know about what is happening and a lot of people rather pay more and do nothing than spending time improving THEIR circumstances.

3. Looking at alternatives

Do you actually **KNOW** for certain on what basis / authority the council is **demanding you paying their bills?**

HOW DO WE DO THAT

- Continue to undertake initiatives and Speak Up
- Continue to find breaches in the TSC conduct (LG Act) and raise them with the NSW State Government, Federal Government and other Authorities
- Hold Councillors and Council Staff are accountable – reveal undue actions
- Initiate corrective actions – reverse wrong decisions
- Assemble and prepare the next generation of capable councillors

WHAT CAN YOU DO TO **HELP YOURSELF**

- Participate in Activities – be seen and heard
- Become involved on a planning and actively work on **CHANGE**
- Prepare yourself as a Councillor for the Next Council Election
- Participate in the Economic Development
